BOURNVILLE
SCHOOL

PART OF THE FAIRFAX MULTI-ACADEMY TRUST

 **FAIRFAX**
MULTI-ACADEMY TRUST

Welcome from the Principal

Dear Candidate

Thank you for showing an interest in joining the team at Bournville All-Through School, part of Fairfax Multi-Academy Trust. Since I joined Bournville school in April 2023 I have had the pleasure in seeing the school go from strength to strength. This continuous improvement journey can be attributed to the skill and professionalism of the dedicated team who work at Bournville. We have been on a clear trajectory to making small daily steps that result in big changes and everything we do is underpinned by our Academy values; ready, respectful, safe.

With initiatives now embedded, there is a clear improvement in student behaviour and a real sense of community and culture. Teachers are focused on planning and delivering engaging lessons within a calm and orderly environment. Safeguarding has always been and will continue to be a priority and we have a strong team supporting the pastoral care of our students. We know that all these measures will lead to improved outcomes overall. So, for you, this is an exciting opportunity to join and be part of the highly skilled Bournville team.

Bournville currently has almost 670 students from Reception to Year 11. Located in the south of Birmingham, the Academy serves students from the wider community, with close to 63.7% from a disadvantaged background, 22.7% on the SEND register and 16.7% EAL.

As Principal, I am excited about the collective spirit that is apparent as we embark on our next phase of continued growth and school improvement. The experience of being a key player in bringing about systematic change will be an essential part of the successful candidate's

portfolio. The current focus is to ensure that we deliver an engaging curriculum that inspires all children to achieve the very highest levels of learning. This will continue to be supported by a calm and orderly environment that is achieved by the consistent application of the high expectations by all stakeholders. The staff and leaders at Bournville have genuine care and passion for the Academy and the community it serves. We work at pace to ensure the best education can be delivered on a daily basis and the resources required to bring about the necessary improvements are being made available.

It is also an exciting time to join the Trust as we are now entering the next phase of our development, having established ourselves as a mature MAT. We have attracted and recruited a wide range of experienced central leaders who have worked in a range of different Trusts. Given this, and the extensive connectivity of members of the Central Team with other leading Trusts across the country, FMAT is very well placed to build on its existing strengths.

This role poses an opportunity for the right candidate to fulfil their vocational passion, whilst making a real impact, raising standards and consequently "enriching the lives, and transforming the futures" of our young people. They deserve nothing less.
